RE: New List Price Sheet
Effective Date March 8, 2010

As a result of continued raw material increases, Conduit Pipe Products is announcing a new list price sheet. The new list price sheet, 310, represents a weighted average increase of 20% for Galvanized Rigid, EMT, and Aluminum Products.

List price sheet 310 will be in effect with shipments after March 5th. Conduit Pipe Products reserves the right to limit customer orders based on historical sales data. Please advise the Conduit Pipe sales department if this decision requires any change to your previously placed orders.

The Conduit Pipe Products list price sheet, 310, will be available at our web site; www.conduitpipe.com in the coming days.

On behalf of the Conduit Pipe Products employees, thank you for your continued support and valued business.

Sincerely,

Mark McIntosh
Director of Sales and Marketing
Conduit Pipe Products
